..... All massages can be done couples style. Please contact spa to request.

## BODY

### BODY WRAP

A nutrient-rich treatment blended with herbal extracts and essential oils to help hydrate and restore skin tone and vitality. Each wrap will begin with dry body brushing that will exfoliate the skin. We will then apply your wrap and let the product work its magic while you are wrapped in a warm cocoon. Enjoy a scalp massage before we remove the product from the body. A hydrating lotion may be applied as final step.

### TOTAL BODY EXFOLIATION

The service begins with a head to toe dry body brushing that will exfoliate and detoxify the skin, stimulate the nervous system, and improve skin appearance. Then a full body exfoliation performed on the table in-room suite. Polish is removed using hot towels. Finally, the skin will be rehydrated and treated with professional products depending on your skin type and need.
